SHARED SERVICES AGREEMENT BETWEEN THE TOWNSHIP OF WOODBRIDGE AND WOODBRIDGE TOWNSHIP SCHOOL DISTRICT FOR RADIO COMMUNICATIONS SYSTEM MAINTENANCE AGREEMENT

THIS AGREEMENT is made this 16 day of November, 2017, between the **TOWNSHIP OF WOODBRIDGE**, a municipal corporation of the State of New Jersey located at 1 Main Street, Woodbridge, New Jersey 07095 (the "TOWNSHIP") and Woodbridge Township School District.

WHEREAS, the TOWNSHIP in 2009 funded the installation of a new regional communications system to replace the outdated radio systems used for emergency communications by the Township Police Department, its various fire houses and emergency medical service providers, the Department of Public Works, and the Board of Education, at a cost of approximately \$10 million; and

WHEREAS, the communications system provided to the TOWNSHIP by Motorola carried an initial six year warranty, which has now expired; and

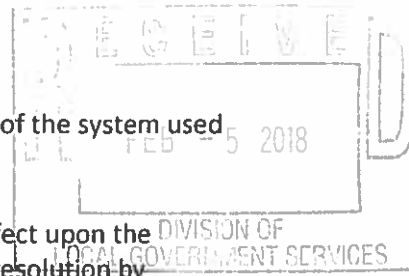

WHEREAS, the TOWNSHIP has negotiated an additional six-year maintenance agreement with Motorola at a fixed annual cost to cover the infrastructure of the radio communications system for repairs, preventative maintenance, and biennial upgrades; and

WHEREAS, all users of the communications system have agreed to share the cost of the maintenance agreement;

NOW, THEREFORE, in consideration of the mutual and joint obligations set forth herein, the TOWNSHIP and Woodbridge Township School District that are a party to this agreement do hereby agree as follows:

1. Woodbridge Township School District will contribute their share of their annual communication system maintenance agreement in accordance with the payment schedule attached hereto as Exhibit A.
2. Woodbridge Township School District shall have the following payment options:
 - a. Pay the requisite contribution in full on or before April 1 of each year that a payment is required.
 - b. Pay the requisite contribution in full on or before July 1 of each year that a payment is required.
 - c. Pay a portion of the requisite contribution on April 1, with the entire remaining balance to be paid by July 1 of each year that a payment is required.
3. Woodbridge Township School District can elect their own payment option as set forth in paragraph 2 above, provided that all payments are made on or before July 1 of the year in which the payment is required.
4. Woodbridge Township School District shall remain responsible for the maintenance of the components of the communications system that are exclusively used by the district. The maintenance agreement referenced herein shall only provide coverage for the

infrastructure of the main communications system and not the portions of the system used by each school entity.

5. As provided for in N.J.S.A. 40A:65-1 et seq., this Agreement shall take effect upon the adoption of an approving resolution by the Township and an approving resolution by Woodbridge Township School District. Upon proper execution and attestation of this Agreement, the proper officials of each of the parties are hereby authorized and directed to make and perform any and all acts necessary to carry out the purposes of this Agreement.

IN WITNESS WHEREOF, the parties hereto shall cause this Agreement to be executed by their proper corporate officials and their proper corporate seals affixed this day and year written above.
