## STATEMENT OF WORK

Rowan College at Gloucester County (RCGC) will assist in the coordination of literacy services and will deliver services to the American Job Center Workforce Learning Link and the Workforce Learning Link at the College. The College presently receives funding from the Department of Labor and Workforce Development WIOA Title IIA and Gloucester County Economic Development - Workforce Development Board. RCGC will provide ABE, ESL, TASC or HiSet (HSE testing) and computer literacy activities to WIOA participants, and residents who are eligible under the LWD Workforce Learning Link (WLL) guidelines. RCGC subcontracts, through the Title II grant funding, with Literacy New Jersey, local school districts and faith-based organizations to facilitate the outreach and provide services for participants with low literacy or in need of ESL. Satellite literacy sites, to include St. Matthew's in Williamstown, which was once funded under the WLL will continue to function as part of Title II deliverables.

TASC and HiSet testing services, funded in part by the State to the WDB, will occur at least 2 (two) times per month with retest dates to be determined. On an as needed basis, the American Job Center of Gloucester County will conduct TASC testing. In order to evaluate and include TASC test participants, names and social security numbers of all those tested will be sent to the American Job Center MIS Coordinator on a monthly basis.

Those consumers who have completed the TASC or HiSet test or other agreed upon benchmarks, will be contacted by the WLL Counselor or American Job Center designee, to verify passing test and/or achieved benchmarks in order to re-evaluate employment/career goals. (See Administrative Instructions)

## ADMINISTRATIVE INSTRUCTIONS

### PURPOSE

The purpose of the Workforce Learning Link Administrative Instructions is to transmit policy, procedures, and reporting guidelines for serving customers in the Workforce Learning Link (WLL).

### II. BACKGROUND

The WLL was established in July 2001 as a "Second Chance System" to ensure that every New Jersey resident had the ability to upgrade the basic skills needed to enter the workforce. The law redirects a portion of the employer and employee contribution from the Unemployment Compensation Fund to the Supplemental Workforce Fund for Basic Skills. The funds will be used to upgrade basic skills at centers for workforce literacy operated through the One-Stop Career Centers (OSCCs).

### III. MISSION

The mission of the WLL is to provide *short-term services, defined as no longer than six months*, to enhance basic skills (including basic computer skills) in order for customers to enter or retain employment, improve their level of employment, enter occupational training, or obtain a New Jersey State Issued High School Diploma, in order to attain a level of self-sufficiency.

### IV. STATEMENT OF GOALS

The primary goal of the WLL is to assist eligible customers to secure or improve employment, attain a level of self-sufficiency, and ultimately enrich their lives through career advancement and life-long learning.

- ▶ The WLL Program will follow the National Reporting System (NRS) Guidelines <http://www.nrsweb.org> for Adult Education and provide instruction in the following:
  - High Intermediate Basic Education and above (Reading and Math)
  - Low and High Intermediate English Language Acquisition (ELA)
  - Basic Computer Literacy; and
  - Basic High School Equivalency (HSE) preparation.
- ▶ The program will provide overall readiness for:
  - Entering the workforce
  - Furthering career opportunities
  - Advancing to higher education

## V. CUSTOMER FLOW

In order for customers to receive appropriate services, it is recommended that all participating agencies adhere to the procedures outlined below to ensure that the WLL is used as a tool to enhance all eligible customers' opportunities for securing or improving employment opportunities.

## ASSESSMENT

- ▶ Each customer must meet with a WLL Counselor, Title I –Adult/Dislocated or Work First NJ (WFNJ) Employment Specialist for a full needs assessment and development of an EP. The WLL Counselor Title I –Adult/Dislocated or Work First NJ (WFNJ) Employment Specialist must complete an Employment Counseling Statement or its equivalent and determine customer eligibility.
- ▶ The following factors should be used to conduct the assessment indicated above:
  - Goal(s) - should be Specific, Measurable, Attainable, Realistic, and Timely (SMART)
  - Level of education attained
  - Standardized test scores
  - Computer literacy
  - Self-assessment
  - Work history
  - Work readiness

## EMPLOYMENT PLAN

- ▶ The EP is a formal agreement between the customer and the counselor to assist the individual to maximize his/her employment opportunities. The EP must be completed prior to enrollment in the WLL and reviewed and updated periodically to reflect changes in the customer's interests and goals. An electronic and paper copy should be maintained. The form may be accessed in AOSOS under the Employment Plan tab.
- ▶ Upon completion, the customer must sign the EP indicating awareness of his/her responsibilities. The customer must be provided with a copy of their EP. Non-adherence to the EP may result in termination of WLL services and may adversely affect Public Assistance or Unemployment Insurance (UI) benefits.

## VI. TESTING

All customers must be tested prior to acceptance into the WLL Program. Referring agencies should make every effort to ensure customers are tested prior to referral. All test scores administered through referring agencies will be accepted provided testing was completed within the past 6 months. It is the responsibility of the WLL staff to review test scores, update records in AOSOS, schedule literacy testing, and make referrals to the WLL or other cooperating agencies.

The WLL program follows the NRS for Adult Education measures.

- ▶ The following tests have been approved:

	CUSTOMERS WITHOUT LANGUAGE BARRIERS	CUSTOMERS WITH LANGUAGE BARRIERS
Pre & Post	TABE 9/10	BEST Plus

NOTE: Customers pre-tested on other versions of the TABE will be re-tested on TABE 9/10 according to the test publisher's guidelines and the State's Assessment Policy.

- ELA customers accepted into the WLL should test at either Low or High Intermediate ESL – Student Performance Level (SPL) 4 or 5. Those below this level should be referred to other ELA programs.
- A 6<sup>th</sup> grade reading level is required for entry into WLL. Individuals with a math level below 4<sup>th</sup> grade may need more intensive services than those provided in the WLL. Counselors should use their discretion.

**NOTE:** Counselors need to consider the goals of the customer and the goals of the program before placing customers into the WLL. Counselors should use their discretion. Some customers in need of literacy services may be more appropriately and successfully served in other programs such as the WIOA Title II program.

**POST-TESTING**

- ▶ Each customer should be re-tested according to test publisher guidelines or in rare cases at the discretion of WLL staff if a student has received at least 30 hours of instruction to assess learning gains.
  - The same type and same level of test must be used for pre and post-testing.
  - When post-tested on Best Plus and an advanced level is reached, a new pre-test using TABE should be administered to measure further gains for continuing participants.
- ▶ Once post-test scores are obtained, WLL staff must meet with the customer to:
  - Review test results and overall progress
  - Make modifications to the EP and the Employment Counseling Statement

If a customer does not advance an EFL they must be referred out for more intensive literacy assistance. The test results and summary of the progress meeting will become part of the customer file. Referrals to WIOA Title II or Literacy Volunteers agencies should be made when appropriate.

**NOTE:** A customer can actively remain in the WLL for a six month timeframe before being exited. In rare situations, WLL staff may extend participation time if a customer is close to achieving their goal and if a positive outcome will result. The extension should be for a defined period of time and the customer’s progress should be closely monitored and evaluated. This should be documented in AOSOS and the customer’s file.

**VII. PERFORMANCE MEASURES**

It is important for customers in the WLL to raise their EFLs; however, a positive outcome or success in the WLL will require entering employment, receiving additional training or obtaining a New Jersey State Issued Diploma. A positive outcome for employed participants would be a promotion or wage increase. Each WLL is expected to meet the performance levels outlined below, with a level of service of 77 participants.

<b>ABE/ELA</b>	
<b>Outcome 1:</b> Demonstrated improvement in EFLs in reading, writing, and speaking the English Language, numeracy, problem solving, English acquisition, and other literacy skills.	<b>Measurement:</b> Percentage of Students who increase their EFL based on an NRS approved assessment.

- ▶ WLL staff must provide WLL customers with continuing activities. These activities must be entered into AOSOS on the date provided. Important: The implementation of Common Measures has reinforced the need for all WLL customers to receive a reportable service and/or activity, in addition to WLL, at least every 90 days. - ▶ All entries into AOSOS must be quality controlled to ensure data is valid and reliable. The information entered is used to generate monthly AOSOS status reports. These reports are reviewed by LWD Administrative Staff and are used to evaluate program success and future funding. It is imperative that entered data and generated reports are verified monthly for accuracy.

#### WLL REQUIREMENTS IN AOSOS – PERFORMED BY THE AJC’S MIS SPECIALIST

- ▶ To obtain accurate results on the WLL Reports, it is important to fill in all fields correctly. Important: In order for outcome results to be posted and credited correctly on the WLL-001 Report, an Exit date *and* reason must be recorded in AOSOS. Although WLL staff may wait up to 180 days to “exit” a customer on the “Enrollments” tab, a customer’s Service should be ended when they are no longer receiving instruction in the WLL on the “Services” tab.

The customer will not appear on the WLL-001 Report under Obtained Employment, Additional Training, or Obtained a GED until an EXIT date and reason is chosen.

#### DAILY ACTIVITY

- ▶ The instructor will maintain a daily sign-in sheet.
- ▶ Daily activities will be governed by the software packages used in each site as well as customer’s individual needs.
- ▶ Staff coverage must be provided at all times.

NOTE: Periodically, LWD may conduct professional development (PD) activities for instructors, counselors and data entry staff at the WLL. In that event, the One-Stop Operator should work to accommodate the PD activities by making other accommodations for WLL customers; e.g., move them

to another area of the One-Stop Career Center, provide other staff to manage the WLL during the duration of the training event.

#### TRACKING AND ATTENDANCE

- ▶ Regular attendance is vital to the success of the WLL customer. It is the responsibility of the WLL Instructor to make sure all customers complete daily attendance logs and to closely monitor customer participation. If a customer has 3 unexcused absences, he/she should be referred to the WLL Counselor for reassessment. The WLL Counselor must address the attendance issue and recommend continuation or removal of the customer from the WLL Program.

#### JOB PLACEMENT

## **FOLLOW-UP**

- ▶ The implementation of Common Measures has reinforced the need for all WLL customers to receive a reportable service and/or activity, in addition to WLL, at least every 90 days. Without a reportable service and/or activity, a WLL customer will be exited from AOSOS for Common Measures reporting purposes. The WLL counselor must ensure that a reportable service and/or activity is provided and recorded in AOSOS for all customers continuing in the WLL program.

NOTE: These reports will be used to evaluate the performance of the WLL in making sufficient progress towards meeting the level of service (LOS) goal established for the current Program Year (PY) and track performance based on targets set by the State. The LOS goal is for FY 18 is 77.
