WHEREAS, in accordance with the requirements of Public Law, Chapter 226 of the Laws of 1991 ("Chapter 226"), the Board is obligated to provide nursing services to nonpublic schools located within Montville Township; and

WHEREAS, the Department has been approved by the Commissioner of Education for the provision of such nursing services and the Board may, by law, contract directly with the Department for the provision of those services required by Chapter 226; and

WHEREAS, the Board has determined that the services required under Chapter 226 can be best and most efficiently delivered by contracting with the Department for such services.

NOW THEREFORE, it is agreed by and between the parties as follows:

f. Conduct examinations of pupils between the ages of 10 and 18 for the condition known as scoliosis as provided for in N.J.S.A. 18a:40.3.

3. The sum of Eighteen Thousand Two Hundred Eleven Dollars (\$18,211.00) has been granted to the Board by the State of New Jersey as financial aid for implementation of Chapter 226.

4. This sum will be allocated as follows:

a. The sum of Sixteen Thousand Five Hundred Four Dollars (\$16,504.00) shall be directed toward provision of nursing services at Trinity Christian School.

b. The sum of One Thousand Seven Hundred Seven Dollars (\$1,707.00) shall be directed toward provision of nursing services at Apple Montessori School.

5. The Board will forward the sum of One Thousand Eight Hundred Twenty One Dollars and Ten Cents (\$1,821.10) to the Department on a monthly basis to meet its financial obligations under this contract. In no event, however, will any payment be made by the Board to the Department in advance of receipt of funding from the State of New Jersey, except as set forth in Paragraph 7 infra. If late receipt of such funding precludes making a monthly payment, such payment will be promptly made to the Department upon receipt of the funding from the State of New Jersey. All payments due and owing under this contract will be made no later than June 30, 2015.

6. The Department will take full responsibility for scheduling nursing services at the above referenced private schools as appropriate to meet its obligations under this contract.

Emergency nursing care to pupils enrolled full-time in nonpublic schools shall be consistent with written procedures adopted by the Board and with the nursing services provided by the Board to public school pupils who become injured or ill at school or during participation on a school team or squad, but will be cognizant, however, of the fact that the Department will not be providing full-time nursing services to the private schools covered by this agreement.

9. The Department will provide the required nursing services required thereunder pursuant to this agreement. It is expressly understood, however, that the Eighteen Thousand Two Hundred Eleven Dollars (\$18,211.00) figure, which reflects the Board's financial obligation for the services provided hereunder, shall include and cover any services required pursuant to the Board's emergency nursing care procedures.

10. Both the Board and the Departments reserve the right to terminate this contract in the event of a substantial default of the other. Additionally, either party may terminate this agreement for any reason whatsoever by giving the other sixty (60) days notice, in writing, delivered to the recipient at its place of business.

11. This agreement shall take effect September 1, 2014, and terminate on the last day of school or June 30, 2015.

12. To the full extent permitted by law, the Board of Health agrees to indemnify and hold the Board, together with its agents, servants, members and employees, harmless for all claims and expenses, including attorney's fees and costs, as well as judgments which the Board, and its agents, servants, members and employees, may be subject to by virtue of errors, omissions or any other failure on the part of the Department to properly perform its obligations under this contract.

13. The Department agrees to perform the services required under this contract in a professional manner consistent with applicable standards of professional nursing service.

IN WITNESS WHEREOF, the parties have caused these present to be signed by their proper corporate officers and the corporate seals to be hereto affixed the day and year first above written.
