WHEREAS: THE BOROUGH OF OAKLYN SEEKS TO PROVIDE FOR
THE PURCHASE OF BRINE

THEREFORE, Be it Resolved, by the Borough Council of the Borough of Oaklyn, New Jersey, that Mayor and Council enter into an agreement with the City of Gloucester for the purchase of Brine.

Adopted November 3, 2014

Approved

Robert Forbes, Mayor

Bonnie Taft, Borough Clerk

AGREEMENT FOR THE PROVISION OF BRINE

This Agreement is made this 3 day of November, 2014, by and between the City of Gloucester (hereafter "City") and BOROUGH OF OAKTON (hereafter "Buyer").

WHEREAS, the City has the means of producing brine, specifically water containing 23.3% NaCl with a - 6.0 degrees freeze point; and

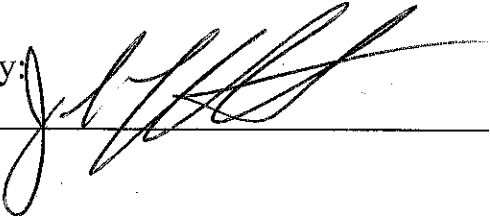

WHEREAS, the City is able to produce amounts beyond what it presently needs; and

WHEREAS, the Buyer has a need for brine.

NOW, THEREFORE, BE IT AGREED as follows:

1. The City will sell to Buyer such quantity of brine as the Buyer may require at a cost of \$.35 per gallon during normal working hours from 7 am – 3 pm Monday through Friday. After normal working hours, cost will be at the discretion of the City due to overtime costs.
2. Buyer acknowledges that it is one of many purchasers and the brine will be provided on a first ordered basis or allocated among buyers in the City's sole discretion.
3. To place an order, Buyer's representative will contact the City by phone at (856) 456-0169 or (609) 820-9171 at least 2 hours prior to the desired pick-up. City shall provide Buyer with a time frame for Buyer to pick-up the brine and will provide personnel to effectuate the transfer of the brine to Buyer's vehicle.
4. The brine is sold without any warranty or guarantee of any kind whatsoever.
5. The City makes no representations as to the efficiency or usefulness of the brine.
6. The Buyer shall, when picking up the brine, present the City's representative with a proper Purchase Order or authorization which the City representative shall execute with true and correct information which Purchase

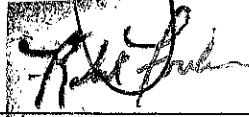

Order or authorization will be processed for payment which is to be made within 30 days of supplying the brine.
